Watching all the films as they go back in time
Taking all the pictures, but I never knew why you went
Rivers running dry
Reading all the letters made up in my mind
Never thought that moment would have ever been
mine
But then we were not aware
You were nearly mine until yesterday
Until I found out you were playin' around
While I was waiting for you so

Stay out of my life
I don't wanna know the truth
Stay out of the darkness
While I'm reaching for you
Stay out of my life
I don't wanna know the truth
'Cuz the memories surround my mind
Oh, you can never forget
A broken heart

Two long, hard years I fought back those tears
Took a lot of pressure to admit that I was
Right where I started from
Rivers running dry
All you lonely people without a love
Time took it senses coming down from above to find
Me without a home
You were nearly mine until yesterday
Until I found out you were playin' around
While I was waiting for you so

Stay out of my life
I don't wanna know the truth
Stay out of the darkness
While I'm reaching for you
Stay out of my life
I don't wanna know the truth
'Cuz the memories surround my mind
Oh, you can never forget
A broken heart

Never forget the days you took my love
You were leading me on
Oh, you were taking over me
I never thought I'd have this price to pay
I had it almost
Now it's all over

Stay out of my life
I don't wanna know the truth
Stay out of the darkness
While I'm reaching for you
Stay out of my life
I don't wanna know the truth
'Cuz the memories surround my mind
Stay out of my life
I don't wanna know the truth
Stay out of the darkness
While I'm reaching for you
Stay out of my life
I don't wanna know
I don't wanna KNOW
