Here we go
Mm... that's the way I like it
Mm... yeah, baby
Whoo!

I wanna get to know you,
But you're so hard to reach
Nobody tells me something, honey
You do not reach
Your face is on my mind
It's like I just sell my soul
Your move is like no other, baby
You're in control
Let's face the facts, you want me
And I, I want you, too
Let's get it right together, baby
Just me and you
Your lips is so sweet,
You're really so complete
You got me on the floor, unh
I want some more 'cause...

That's the way I like it
Can't you see baby
That's the way I like it
If you know what I mean, yeah
That's the way I like it
Oh-oh-oh-oh-oh, unh
That's the way I like it
Yeah, if you know what I mean, ah
Yeah, if you know what I mean,
Oh baby

Just satisfy my mind
I need to bring you near
Your lips that keeps me guessing, honey
I need you here
Your touch is on my mind
It's like I just sell my soul
Your move is like no other, baby
You're in cotrol

I'm burnin' up inside
It's like a new flame
You touch me with desire, baby
I speak your name
Your touch is so good, I wish you would
Keep on and on, baby, whoo
I want some more 'cause...

(Chorus)

Yeah, that's the way I like it
Keep on, 1, 2, 3, go
Unh, unh, whoo
That's the way I like it
Baby
Whoo!
