Oooh, the slightest touch...
Oooh, the slightest touch...

I thought I knew how to handle my emotions
Until you lit the fuse that triggered the explosion
Mm, you turn me on with the power of electric love
And now I can't get enough
Turn the voltage up

The slightest touch
And I go crazy with desire
The slightest touch
Can bring me to my knees, yeah
Watch what you touch
'Cuz I'm a real live wire
And the slightest touch
Is heavy on me
So, so heavy

You turn me into a raving maniac
Like a locomotive, you keep me on the right track
Mm, you got my senses tuned to your remote control
You put a spark in my soul
Now I'm too hot to hold

The slightest touch
And I go crazy with desire
The slightest touch
Can bring me to my knees, yeah
Watch what you touch
'Cuz I'm a real live wire
And the slightest touch
Is heavy on me
So heavy

There's one thing that you should know
I'm about to lose my self-control
So come a little closer
No, closer than that!
Touch me just one time...

The slightest touch
And I go crazy with desire
The slightest touch
Can bring me to my knees, yeah
Watch what you touch
'Cuz I'm a real live wire
And the slightest touch
Is heavy on me...
