What can I say to you? Where do I go from here?
Right back in love with you after so long
We let it slip away, saying we could be friends
And so that's how it's been
But suddenly [Suddenly], your eyes shine a little
brighter
And suddenly [Suddenly], your arms were like home to
me
It's hard to be around you
If I can't hold you, so...

Let's make tonight the start of forever
Let's do it right this time
I look in your eyes and I see forever
The start of forever tonight
Mmm, mmm

I know you feel the same, say you still want me, too
Come back where you belong, back in my arms
And I'll make love to you, I'll never let you go, no
Boy, I want you to know
That loving you [Loving you] is all I've ever wanted
And loving you [Loving you] is more than any dream
could be
And now that I have found you again
I'm not gonna lose you, so...

Let's make tonight the start of forever
Let's do it right this time
I look in your eyes and I see forever
The start of forever

How could I lose you when you're a part of me?
In times, it makes me come to see
There's nowhere I rather be

Let's make tonight [Let's make tonight] the start of
forever
[The start of forever]
Let's do it right this time [Let's do it right this time]
I look in your eyes and I see forever

The start of forever [Start of forever]
Let's make tonight the start of forever [Forever]
Let's do it right this time [Let's do it right]
I look in your eyes and I see forever
The start of forever, start of forever
The start of forever... tonight
Starting tonight, starting tonight
