Unh, ooh
Yeah
If you treat me right,
I'll be yours tonight, uh
Ahh yeah, mm...
Hey, listen

Feelings of mine don't matter
As long as you are around
I feel good
Don't led on about this love thing
But if you make it right,
I can make you feel

Secrets I tell you
Keep them, huh, don't tell another
I feel I can trust you
Don't let me down, you know it
Ain't too polite
To cheat on a lady

If you weren't no good,
Then I'll find another
To treat me the way you should
Alright (yeah)
For me, there's no other
I'll guarantee you that
A good love is hard to find

So treat me like a lady (lady)
Like you know you should
Try to understand how I feel for you
Just treat me like a lady (lady)
I'll show my love for you
Can't you understand that my love is true?
Believe me

Loving you comes so easy
As long as I have you near
I can watch you (I can watch you)
Don't play around with my heart

Don't get me wrong,
But I see your move

Stealing me wrong, don't ever
You know the outcome
I'll just up and leave you
If you let me down, you know it
I won't be around
To pick up the pieces

If you weren't no good,
Then I'll find another
To treat me the way you should
Alright (alright)
For me, there's no other
I'll guarantee you that (yeah)
A good love is hard to find, unh!

So treat me like a lady (lady)
Baby, like you know you should
Try to understand how I feel for you
Just treat me like a lady (lady)
I'll show my love for you
Can't you understand that my love is true?

Come on, whoo!
A-come on, come on, come on, come on, come on now
Uh, come on, ah
Yeah, whoo!

Treat me like a lady like you know you should
Got to understand how I feel for you
So treat me like a lady, show me what you got, uh!
I'll be your lady right until I...
See your move, steal me wrong, don't you ever
I can watch you, baby
I can make you feel (ahh yeah)
So treat me like a lady, I'll show you the deal

So treat me like a lady (lady)
Like you know you should
Try to understand how I feel for you
Just treat me like a lady (lady)
I'll show my love for you
Can't you understand that my love is true?
So treat me like a lady (lady)
Like you know you should
Try to understand how I feel for you
Just treat me like a lady
I'll show my love for you
Can't you understand that my love is true?
