I miss you, baby
Come on home, yeah

Sun's rising, a new day brings
Thoughts of you
Good memory of the joy you bring
In all that you do

As I go on through wth my day, ah
I fantasize about you in my mind
And even though we talked on the phone
It's not like being with you, no

'Cause wrapped in your arms is where I belong
I'll be waiting when you get home
The day's almost done and nighttime's begun
I'll be waiting when you get home, yeah

I can't wait to feel your arms
In warm embrace
Touch my soul, I feel with love
So full, I can taste it

I'm so happy that you're in my life
To keep you, I'll endure sacrifice
And all those times I spend alone
Leaves me longing for you, whoa-oh-oh-ohhh, oh

Wrapped in your arms (oooh baby)
Is where I belong (yeah--)
I'll be waiting when you get home
(Mm, you know I'll be there)
The day's almost done (day's almost done)
And nighttime's begun (nighttime's begun)
I'll be waiting when you get home

Baby, oooh
When you get home
Ooh, ooh
I love you
Ooh, my baby

As I go on through my day, ah
I fantasize about you in my mind
And even though we talked on the phone
It's not like being with you, no, no, no, no
Ooh
Wrapped in your arms is where I belong (yeah, yeah)
I'll be waiting when you get home
(Mmm, you know I'll be there)
The day's almost done (day's almost done)
And nighttime's begun
I'll be waiting when you get home (oh yeah)
Wrapped in your arms is where I belong
(Don't you stay away too long)
I'll be waiting when you get home (yeah-- yeah)
The day's almost done (day's almost done)
And nighttime's begun (nighttime's begun)
I'll be waiting when you get home
