Our eyes have seen the glory of the rise before the fall.
Times get tight no end in sight we've run into these
walls.

Sit back and have a laugh let's talk about the things
we've done
And what we never have look how far we've come.

This is what we say.
This is what we are.
This is what we are.

And if you don't know
You weren't meant to.
If you can't see
Don't even try to understand .
If you don't know
If you don't know
If you don't know
You weren't meant to.

Fortunate we are but fortunes come and go
Buy yourself some time the years still take their toll
Even when you think you got it sussed
Sometimes all that you can trust
Is the sun will rise tomorrow
And that's alright with us

And if you don't know
You weren't meant to.
If you can't see
Don't even try to understand.
If you don't know
If you don't know
If you don't know
You weren't meant to.

And if you don't know
You weren't meant to.
If you can't see
Don't even try to understand.
If you don't know

If you don't know
If you don't know
You weren't meant to.
