Could you be a rebel in your work clothes?
Do you need a slogan to define what's on your mind?
Could you choose your fights?
Could you bide your time?
You're always fighting from the outside.
You're always fighting from the outside.

Terrorists again have grabbed the headlines.
But i don't care i'm staying in tonight.
Terrorists again have grabbed the headlines.
But i don't care i'm staying in tonight.

I could be a pen and paper outlaw
Write off all the rules and break the new ones I hold
true.
And i would choose my fights
And i would bide my time.
Take them down from the inside.
Take them down from the inside.

Terrorists again have grabbed the headlines.
But i don't care i'm staying in tonight.
They've got the airwaves too but i'm still black and blue
From the record skipping.
Stricken from the record once again

They've got the airwaves too but i'm still black and
blue.
From the record skipping.
Stricken from the record once again

They've got the airwaves too but i'm still black and
blue.
From the record skipping.
Stricken from the record once again
