It doesn't matter if you're wrong or if you're right

It makes no difference if you're black or if you're white

All men are equal till the victory is won

No colour or religion ever stopped a bullet from a gun.

Out in the fields - the fighting has begun

Out on the streets - they're falling one by one

Out from the skies - a thousand more will die each day

Death is just a heartbeat away.

It doesn't matter if you're left or to the right

Don't try to hide behind the cause for which you fight

There'll be no prisoners taken when the day is done.

No flag or uniform ever stopped a bullet from a gun.

Out in the fields - the fighting has begun

...

There's no communication

no one to take the blame.

The cries of ev'ry nation have fallen on deaf ears  
again.

Out in the fields - out in the fields -

they are falling one by one.

Out in the fields -

no flag has ever stopped a bullet from a gun.

Death is just a heartbeat away.

Out in the fields - a heartbeat away

Out in the fields - death is just a heartbeat away

Out in the fields - a heartbeat away - out in the fields.

Out in the fields - the fighting has begun

Out on the streets - they're falling one by one

Out from the skies - a thousand more will die each day  
- out!
