Everyday I miss the you I used to know
Before I let you down, before you let me go
We'd listen to the left side of the radio
And you were so fine with your train track spine
And I fell For
Your half-and-half white lies
Back around Ninety-two
I lost god, I found you
I found you
I found you dancing with the disco brothers, yeah
And the dreadlock white girls
Spinning like a discoball world, yeah
Ye - ah...
With the extra virgins
And the goatee stoners, yeah
Spinning like a discoball world, yeah
Ye - ah...
The flowers that we stole from San Jacinto
They're in the vodka vases by the window
I can't forget the day that you forgot me
When your kisses got so vicious
I fell for your coffee eyes
Your half-and-half white lies
Back around Ninety-two
I lost god, I found you
I found you
I found you dancing with the disco brothers, yeah
And the dreadlock white girls
Spinning like a discoball world, yeah
Ye - ah...
With the extra virgins
And the nighttime loners, yeah
Spinning like a discoball world, yeah
Ye - ah...
(Can I) dance with you baby?
Can I dance with you?
(Can I) dance with you baby?
Can I, can I dance with you?
Oh, dance with you?
Can I dance with you?
With you? With you?
