And when you're hanging 'round

Waiting on the other side of town

Kick a stone on a painted wall

And when the riot comes

Keep your head and keep your loving charm

Living life is a glamour show

But it's another word

It's another word

All soldiers have a cause

Giving life upon graffitied walls

As a way to pass the time

I saw a father's tear

For a leader standing over here

'Who's the King?' says a passer by

But it's another word

It's another word

Word

And when you're hanging 'round

Waiting on the other side of town

Kick a stone on a painted wall

And when the riot comes

Keep your head and keep your loving charm

Living life is a glamour show

But it's another word

It's another word

Word
