Now you can have all the fun and money man can have
Sport a Porsche or carry Gucci bags
You can gear in gold from your chest to your chin
But if you don't know the Savior, you'll never get in
The gates of hell shall prevail on your soul
If makin' money shakin' honeys is your lifelong goal
There is a plan laid before ya that can change the
above
And it can fit any man like a hand in a glove

There's only one way to heaven and this won't change
Cause my almighty Father's not respectful of names
So be saved

(Chorus)

Saved, you gah to be saved
Saved, you gah to be saved
Saved, you gah to be saved
Saved, you gah to be saved

I once knew a politician upon Capitol hill
Attended all the right parties cause he voted on bills
He has big friends, he drove a Benz
Butta life full of strife cause he was living in sin
He said he wasn't satisfied with life as if was
Everything he always wanted simply wasn't enough
When he asked me why so happy, I had to confess
I got Christ in my life, I've been more than blessed
You see there's nothin' wrong with finer things in life
But and eternity in heaven ain't displayin' a price
So be saved

(Repeat Chorus)

From a brother to another, I'm not doggin' the bucks
Cause a bum without the Father is a bum outta luck
No mention of exemption, no requirements waived
To enter through the gates ya know you gotta be saved
Don't make the simple complex, straight up text
No matter what race, creed, color, or sex
Accept Him, don't reject Him, heed the call of Christ

He's at your hearts door knockin', He awaits a reply
This life is temporary, lay your treasures down
Eternal life is offered through His infinite love
Be saved

(Repeat Chorus)
