Mark Hollis / Tim Frieese-Greene)

>From the place that I stand to the land that is openly
free

Watching rivers run black by the trees that are vacant
to greed

Gotta give it up

Gotta get a second chance

Gotta give it up

Gotta get a second chance and the joke's just started

Gotta give it up

Give it up

Gotta give it up

Or tell me why I'm so wrong

Where does love come from

If you've sold your reasoning out

How can I learn if I don't understand what I see

If I'm giving this mess take a walk through a nightmare
so real

Gotta give it up

Gotta get a second chance

Gotta give it up

Gotta get a second chance and the joke's just started

Gotta give it up

Give it up

Gotta give it up

Or tell me why I'm so wrong

Where does luck come from

When you've never been without

Give it up

Gotta give it up

Give it up

Gotta give it up

Tell me if I'm so wrong

Where does love come from

If you've sold your reasoning out

Or tell me if I'm so wrong

Where does luck come from

When you've never been without

Can't do it

You can't do it
