1st Verse

Seperated, I cut myself clean from a past that comes
back
in my darkest of dreams, Been apprehended by a
spiritual
force and a grace that replaced all the me that I've
divorced.

(Rap) I saw a man with a tattoo on his big fat belly, it
wiggled
around like marmalade jelly, it took me awhile to catch
what
he said 'cause I had to match the rythem of his belly
with my
head. Jesus saves is what a raved in A typical tattoo
green,
he stood on a box in the middle of the city and he
claimed he
had a dream.

(chorus) What will people think when they here that I'm
a Jesus
Freak, What will people do when they find thats its true.
I don't
really care if they label me a Jesus freak. There ain't no
disguising the truth...

No there aint no disguising the truth, I aint hiding the
truth...

2nd. Verse

Kamikaze my death is gain Ive been marked by my
Maker a
peculiar display. The high and lofty they see me as
weak
cause I won'y live and die for the power they seek,
yeah

(rap)There was a man in the desert with maps in his
head the
sand that he walked was also his bed the words that he

spoke
made the people assume there wasn't too much left in
the upper
room. The skins on his back and the hair on his face
they
thought he was strange by the locusts he ate. The
pharisees
tripped when they heard him speak until a king took the
head of
this Jesus freak.

(Chorus) What will people think when they hear that I'm
a Jesus
freak what will people do when they find that's true I
don't
really care if they label me a Jesus freak there ain't
disguising
the truth.

People say I'm strange does it make me a stranger that
my
best friend was born in a manger. People say I'm
strange
does it make me a stranger that my best friend was
born
in a manger...

(Chorus x2)

What will people think (what will people think) What will
people
do (what will people do) I don't really care (what else
should I say)
there ain't disguising the truth (I'm a Jesus freak
