Jesus is still alright with me, Jesus is still alright oh yeah

Jesus is still alright with me, Jesus is still alright

Toby Mac, and the Mac is back no slack,

on a DC track that's jacked beyond comprehension,

I believe that I failed to mention that

there's a lack of recognition, when it comes to His  
position,

'cause if Christ can't be crossed over, then I'll keep my  
beat up

NOVA.

Jesus is still alright with me, Jesus is still alright oh yeah

Jesus is still alright with me, Jesus is still alright

I don't care what they may say, I don't care what they  
may do,

I don't care what they may say, Jesus is still alright

Back in place, and I'm all up in your face,

with a rhyme that I embrace, like a mother to her child,

I'm kicking it Jesus-style, to the ones that think they  
heard,

I did use the "J" word, 'cause I ain't too soft to say it,

even if DJ's don't play it

I'm down with the one who is known as the Son

or the G to the O to the D never done.

Wit the flow in the know on the go like a pro not for  
show

'cause I ain't in the biz for the dough or the me or the  
ray,

all the dough's gotta stay 'cause I can't,

no I can't, take it home anyway.

Never trite when I write 'cause the Lord is my light

and His Word is my bond so ya know He's alright
