Mark Hollis / Tim Friese-Greene)

Baby, life's what you make it
Can't escape it
Baby, yesterday's favourite
Don't you hate it

Everything's all right
Life's what you make it
Everything's all right

Baby, life's what you make it
Don't backdate it
Baby, don't try to shade it
Beauty's naked

Everything's all right
Life's what you make it
Everything's all right
Life's what you make it

Baby, life's what you make it
Celebrate it
Anticipate it
Yesterday's faded
Nothing can change it
Life's what you make it

Everything's all right
Life's what you make it
Everything's all right
Life's what you make it
Everything's all right
