Mark Hollis / Tim Friese-Greene)

Better parted

I see people crying

Truth gets harder

There's no sense in lying

Help me find a way from this maze

I can't help myself

When I see tenderness before you left

Forget

That even breaking up was never meant

Forget

But only angels look before they tread

Forget

Living in another world to you

Better parted

I see people lying

Speech gets harder

There's no sense in writing

Help me find a way from this maze

I can't help myself

When I see tenderness before you left

Forget

That even breaking up was never meant

Forget

But only angels look before they tread

Forget

Living in another world to you

Help me find a way from this maze

I'm living in another world to you

And I can't help myself

Did I see tenderness where you saw hell

Forget

Did I see angels in the hand I held

Forget

God only knows what kind of tale you'd tell

Forget

Living in another world to you
