In my mind, I can see Your face  
As Your love pours down in a shower of grace  
Some people tell me that You're just a dream  
My faith is the evidence of things unseen

In my mind's eye, in my mind's eye  
In my mind's eye, in my mind

You know what I'm going through  
I know this is true  
Cause You stood in my shoes  
Desire's inside of me  
But it's hard to believe  
In what you cannot see

Can you catch the wind, see a breeze  
Its presence is revealed by  
The leaves on a tree  
An image of my faith in the unseen

[chorus]  
In my mind's eye  
I see Your face  
You smile as you show me grace  
In my mind's eye  
You take my hand  
We walk through foreign lands  
The foreign lands of life

In my mind I'm where I belong  
As I rest in your arms  
And like a child I hold on to you  
In my moment of truth, yes I do  
We can ride the storm  
Endure the pain

You comfort me in my hurricane  
And I'll never be alone again  
In my mind I can see Your face  
Love pours down in a shower of grace

[chorus]  
In my mind's eye  
I see Your face  
You smile as you show me grace  
In my mind's eye  
You take my hand  
We walk through foreign lands  
The foreign lands of life

In my mind I can see Your face  
Your love pours down in a shower of grace  
Life is a gift that You choose to give  
I believe we eternally live  
Faith is the evidence of things unseen  
People tell me that You're just a dream  
But they don't know You the way that I do  
You're the one I live to pursue

Can you catch the wind  
Can you see the breeze
