verse 1

oooooooooooo

i'm setting the stage for
the things i love
not another man i
once couldn't be
nothing on earth could
now ever move me
and now i have the will and
the strength a man needs

chorus

if it's my will
then i'm not not moving
cause if it's your will
then nothing can shake me
and it's my will
to bow and praise you
and now i have the will
to praise my God

verse 2

complexity haunts me
for i am two men
enquenced in a battle
that i'll never win
my disipline fails me
my knowledge inproves me
that you are my shelter
the strength that i need

(chorus)

verse 3

i'm learning to give up
the rights to myself

the bits and the peices
i gathered as well
but nothing compares to
the joy that you bring me
the peace that you showed me
is the strength that i need

(chorus)

bridge

we've got to be
children of peace
don't you know
we've got to be
children of peace

(chorus with bridge
