Well did I tell you before

When I was up

Anxiety was bringing me down

I'm tired of listening to you

Talking in rhymes

Twisting round to think

You're straight down the line

All you do to me is talk talk

Talk Talk

Talk Talk

All you do to me is talk talk

Talk Talk

Talk Talk

All you do to me is talk talk

If every sign that I see is to complete

Then I'm a fool in your game

And all you want to do

Is tell me your lies

Won't you show the other side

You're just wasting my time

All you do to me is talk talk

Talk Talk

Talk Talk

All you do to me is talk talk

Talk Talk

Talk Talk

All you do to me is talk talk

When every choice that I make is yours

Keep telling me what's right and what's wrong

Don't you ever stop to think about me

I'm not that blind to see

That you've been cheating on me

You're laughing at me when I'm up

I see you when you're crying for me

When I'm down

I see you when you're laughing for me

When I'm up

I see you when you're crying for me

All you do to me is talk talk

Talk Talk

Talk Talk

All you do to me is talk talk

Talk Talk
