Mark Hollis / Tim Friese-Greene)

When do you know you know

You know you learn

Do you die in sin or born again

With will to wind and wander climb

Through needle neck to consent

When do you know you know

You know you learn

Arrive at spring once again

And still to rise beyond the tide

And mortal track

Fretful or fair

By straw by strap

Toughening tear

Dust to dust to dust to dust

Consume

For what is worth upon me

Nascent, naissant
