Mark Hollis / Tim Friese-Greene)

Nobody knows how long
Rustling leaves unrhyme I'm sorry
Lullaby breeze unsung
Babel of dreams unwinds in memory

As bad as bad becomes
It's not a part of you
And love is only sleeping
Wrapped in neglect

Time it's time to live
Time it's time to live for living
Time it's time to live
Now that it's all over
Time it's time to live
Time it's time to live for living
Now that it's over

Kissing a grey garden
Shadow and shade, sunlight treads softly

As bad as bad becomes
It's not a part of you
Contempt is ever breeding
Trapped in itself

Time it's time to live
Time it's time to live for living
Time it's time to live
Now that it's all over
Time it's time to live
Time it's time to live for living
Now that it's over

As bad as bad becomes
It's not a part of you
The wicked and the weeping
Ramble or run

Time it's time to live
Time it's time to live for living
Time it's time to live
Now that it's all over
Time it's time to live
Time it's time to live for living
Time it's time to live
Time it's time to live for living
Now that it's all over
Now that it's over

Rest your head
