We all wanna be loved  
We all want just a little respect  
We all wanna be loved  
Tell me what's wrong with that

Ooh Somebody tell me!...

A rainy Monday afternoon  
There's a funk over the city  
Everybody's movin' to a different tune  
Some are weak  
And some are strong  
And some are sittin' pretty  
Then there's others who are barely hangin' on

It's no easy situation  
People livin' in their separate worlds  
But one thing that we've got in common is

#### CHORUS

We all wanna be loved  
We all want just a little respect  
We all wanna be loved  
Tell me what's wrong with that

I've never heard a dying soul  
Wish that he had taken  
More time on his portfolio  
I swear, I've never heard a Mama say  
Should've never had that baby  
As a Doctor holds her newborn on display

It's the heavenly prescription  
A little bit will go a long , long way  
Just put yourself in their position, don't

#### CHORUS

Faith and hope are worth a mention  
But love is holding its position...position
