The night is young and the moon is full,  
And if you're looking for a thrill,  
There's a party going on at,  
The house on top of the hill,  
You know that a band will be playing,  
And they're gonna give you a scare,  
You're invited, but I'm telling you,  
That you better all beware.

Because they,  
Do the zombie yeah, yeah,  
Don't care what they say,  
Do the zombie yeah, yeah,  
They'll be dancing till the dawn of day.

He looked at her from across the room and said,  
"Hey girl do you want to dance?"  
She looked at him with a little grin and said,  
"Why should i give you a chance?"  
He said, "Don't be shy. I'm a helluva guy and i can  
prove to,  
You what I say, before i'm through, you'll be doing the,  
Zombie too" and then you could hear him say...  
And he said.

Because they,  
Do the zombie yeah, yeah,  
Don't care what they say,  
Do the zombie yeah, yeah,  
They'll be dancing till the dawn of day.

Then the band they started to play,  
And everyone was in a trance,  
Every boy and every girl were,  
Doin' the zombie dance,  
The room was shakin' and the walls were breakin',  
Tehy were dancing in a daze,  
They scream and yell, now they're under the spell,  
Of the hypnotizing craze,  
Because they...

Because they,  
Do the zombie yeah, yeah,  
Don't care what they say,  
Do the zombie yeah, yeah,  
They'll be dancing till the dawn of day.
