I see this guy everything,  
He's real cool but he's not the same,  
As every other guy I see,  
I wanna meet him someday.

My knees wobble, I begin to shake,  
Can't speak no matter what the stake,  
Maybe someday but not today,  
How could he make me feel this way.

Don't go, he's gonna get away from me,  
Don't go, it might be too late,  
Don't go, he's gonna get away,  
I better talk to him someday.

He's real cute and he's kinda shy,  
He's no ordinary guy,  
I see him walking through the crowd,  
He doesn't know that I'm around.

I start to sizzle but I play it cool,  
I start to sizzle cuz he looks good,  
He makes me crazy he makes my heart stop,  
I'm afraid that I might drop.

[Chorus]

I see this guy everyday,  
He's real cool but he's not the same,  
He's in my mind, in my every thought,  
I gotta put this to a stop,  
I'm gonna get him, I'm gonna make him mine,  
I know it's just a matter of time,  
He makes me crazy, makes my heart stop,  
I'm afraid that i might drop.

[Chorus]
