I'm through with you and I've had it too,
'Cause you pushed me way too far,
This time, you're gonna play my game,
So watch out baby 'cause here comes trouble tonight.

Trouble, that's what you get from me,
'Cause now, I'm gonna make you wish,
You'd never messed with me,
So watch out baby 'cause here comes trouble tonight.

'Cause I'm talking to you, yeah to you,
This time I'm picking on you, yeah on you,
It's the last time, last chance, last warning too,
So back off, or I'm gonna blow a fuse.

I won't wallow up and shy away,
'Cause that's really not my style,
You may think you've got one up on me,
But you're just in denial.

So watch out, there's nothing left to say,
Watch out, get out of my way,
Watch out, 'cause here comes trouble tonight.
