Do you think I care about what you say?
Well I don't, if I did I would be crazy,
You think your words will take a toll on me,
Well they won't, they don't even phase me.

Can you see that I can see right through you,
And you know, there's nothing you can do.

You talk to loud, but no one's listening,
It's all the same, it's just whine, whine, whine,
Don't waste your time, Find something else to do,
That's what I'd do if I were you.

You think your words slice like a sharp blade,
But they're dull, they're not penetrating,
You think you're smart, you can make me think your
way,
But you're not, you could not persuade me.

You keep telling lies, there's no reason why,
It's all the same, it's just whine, whine, whine,
Don't waste your time, find something else to do,
That's what I'd do if I were you.

[Chorus]
