I know you're story because I've seen you before,
It was like deja vu,
When you walked through the doors,
Like a movie I've seen a million times,
Where I can tell you all the lines,
They say history repeats itself,
I know how things are gonna turn out,
My brain says no look the other way,
But I don't listen anyway.

Everyone has a different theory,
What they see is different from me,
Everyone thinks you're an authority,
They say, Johnny Lockhart you're too good for me.

Johnny Lockhart, you're no good for me,
Johnny Lockhart, but it's plain to see,
Johnny Lockhart, that you were meant to be with me.

It's a lost cause where no one wins,
And I know what kind of mess I'm in,
You always seem to be the talk of the town,
You're bound to turn things upside down,
They say history repeats itself,
I know how things are gonna turn out,
My brain says no look the other way,
But I don't listen anyway.

Johnny Lockhart, you're no good for me,
Johnny Lockhart, but it's plain to see,
Johnny Lockhart, that you were meant to be with me.

I guess this is how things are gonna be,
Like a love conspiracy that keeps coming after me,
Once it pulls me in I'm trapped and I can't get away,
So what if it doesn't make much sense,
They tell me to look at the evidence,
But I just don't care what they say.

Johnny Lockhart, you're no good for me,
Johnny Lockhart, but it's plain to see,

Johnny Lockhart, that you were meant to be with me.
