"See You Tonight"

Last night San Francisco,
Tonight we're in LA,
30 Days untils I see you,
Hearing your voice is not good enough,
I wish I could be seeing you tonight.

I'm thinking of the time that I saw you last,
Time has passed me by too fast,
I think of yesterday,
It seems so very far away,
I wonder if you think of me,
I wish you were here with me.

So here we go, c'mon let's go.

Last night New York City,
Tonight Pittsburg, PA,
20 Days until I see you,
Hearing your voice is not good enough,
I wish I could be seeing you tonight.

The days turn into weeks, weeks to a month,
And you're still the one I'm thinking of,
We're driving farther, but we're getting closer
everyday,
But still we're having so much fun,
It feels like it has just begun.

So here we go, c'mon let's go.

Last night we're in Chicago,
Tonight we're in Greenbay,
10 Days until I see you,
Hearing your voice is not good enough,
I wish I could be seeing you,
Tonight you seem so far away,
But I call you cuz you say,
You stop, drop everything,
When the phone begins to ring.

How are you today?

Is everything okay?
Before you go, there's one thing you should know,
That there's no one that I'd rather go with to a,
Punk Rock Show.

Hearing your voice is not good enough,
I wish I could be seeing you tonight.
