Can't decide if I should read or think
I'll keep an open mind, 'til the day sets in
Hear you thinking. Hope you hear me thinking too.
Why can't I wake up with you
So you're there when I open my eyes
Baby why can't I wake up with you. You're my life.
Feel alive, so I'll just begin
To rest my mind, before you ring me
Hear you call me, I'm so willing to call back
Hear you thinking. Hope you hear me thinking too.
Why can't I wake up with you
So you're there when I open my eyes
Baby why can't I wake up with you. You're my life.
So good to be near you.
So dark when you walk from my side
Baby why can't I wake up with you.
You're my life, you're my life
