(Mark Hollis / Tim Friese-Greene)

Here she comes  
Silent in her sound  
Here she comes  
Fresh upon the ground  
Come gentle spring  
Come at winter's end  
Gone is the pallow from a promise that's nature's gift  
Waiting for the colour of spring  
Let me breathe  
Let me breathe the colour of spring  
Here she comes  
Laughter in her kiss  
Here she comes  
Shame upon her lips  
Come wanton spring  
Come for birth you live  
Youth takes it's bow before the summer the seasons  
bring  
Waiting for the colour of spring  
Let me  
Let  
me breathe  
Let me breathe you  
Let me breathe  
Let me breathe you  
Let me breathe
