(Mark Hollis / Tim Friese-Greene)

Summer bled of Eden

Easter's heir uncrowns

Another destiny lies leeches upon the ground

Everybody needs someone to live by

Everybody needs someone

Everybody needs someone to live by

Rage on omnipotent

A gilded wreath on reason

The flower crushed conceives

A child of fragrance so much clearer

In legacy

Everybody needs someone to live by

Everybody needs someone

Everybody needs someone to live by

Rage on omnipotent
