Hear it in my spirit
I've seen heroin for myself
On the street so young laying wasted
Enough ain't it enough
Crippled world
I just can't bring myself to see it starting
Tell me how I fear it
I buy prejudice for my health
Is it worth so much when you taste it?
Enough there ain't enough hidden hurt
A time to sell yourself
A time for passing
Spirit
How long?
Spirit
(Instrumental)
Spirit
Spirit
How long?
Spirit
How long?
Spirit
