Life's what you make it (Live)

This is one of the tracks from our new album, "Life is what you make it"

Baby, life's what you make it, can't escape it

Baby, yesterday's favourite, don't you hate it  
(Everything's all right) Life's what you make it  
(Everything's all right)

Baby, life's what you make it, don't backdate it

Baby, Don't try to shade it, beauty is naked  
(Everything's all right) Life's what you make it  
(Everything's all right) Life's what you make it

Baby, life's what you make it, celebrate it, anticipate it,  
yesterday's faded

Nothing can change it, life's what you make it  
(Everything's all right) Life's what you make it  
(Everything's all right) Life's what you make it  
(Everything's all right)

Life is what you make it, what you make it, what you  
make it, what you make it

Life is what you make it

Life is what you make it
