(Mark Hollis / Tim Friese-Greene)

Change, I was flying
Seems my life is dying
How can I confess
I've given everything that I had and still you left
How can I forget
I'm getting images of you inside my head
Pictures of Bernadette
Bernadette
Pictures
Of Bernadette
Change, I'm no closer
How can I reproach you
How can I pretend
I'm living like a King in a land that's heaven sent
How can I suspect
I get a message from you to say you've left
Pictures of Bernadette
Bernadette
Pictures of Bernadette
Recollection sees the sun upon your hair
How I feel it, love we used to share
How can I accept
I've given everything that I had and still you left
Pictures of Bernadette
I've got a message from you to say you've left
Bernadette
