Everybody wants an invitation
Ring twice, evidently no one's home
Sweaty maple like a meditation
Ring twice evidently no one's home

Mesh rhyme with reason is a notary stone
Best time of season is when nobody's home
Every time I get less, I want more
Every time I get less, than

Everybody wants a celebration
Ring twice evidently, no one's home
Grain of salt is like a purification

Seaside, everybody omits time to go
Ring high evidently starts the show

Meantime, everybody commits try and try
Fly by, setting it back, works the go

Seaside, everybody commits
Meantime, everybody omits
Seaside, everybody commits
Meantime, everybody omits
Time to go
