Eleven past twelve,  
I have strong doubts about myself,  
Sometimes I say things  
Later I regret,  
I don't want to make a fool of myself...

If you want me,  
Open your heart,  
I need you close to me.  
We are all prisoners of our dreams...

Air is heavy,  
I can't walk,  
The floor is moving around,  
Am I alone?  
I can't control myself,  
I can't control myself.

If you want me,  
Open your heart,  
I need you close to me.  
We are all prisoners of our dreams...

Awake me with gentle words,  
I can't control myself...  
It's 11 past 12.

And if you want me,  
Open your heart,  
I need you close to me.  
We are all prisoners of our dreams...
