Beauty lies in you
beauty lies in, beauty lies in
(bis)

I'm trying to think about
The reasons why
My head it's so confused.
And I'm feeling high
Must be the weather,
That makes me feel alive

Come on and say
The things you want to say
Come on and do
The things you want to do

I'm trying to think about
The reasons why
My head it's so confused.
And I'm feeling high
Must be the weather,
That makes me feel alive

Come on and say
The things that you want to say
Come on and do
The things you want to do

Beauty lies in you
beauty lies in, beauty lies in
(bis)

If someone had told me
I wouldn't believe it
Beauty lies in you
