Move now, you gotta move now,

Everybody, somebody said,  
The house is burning down  
Get out, you gotta get out everybody,  
Somebody said  
On the megaphone

I don't know where my friends are  
So many people trying to escape  
I don't know where my friends are  
So many people trying  
To go outside

Move now, gotta move now,

somebody, everybody said,  
You'd better get out now  
You get out, you gotta get out  
Somebody,  
Everybody said,  
It's time to go home

I don't know where my friends are  
So many people trying to escape  
I don't know where my friends are  
So many people trying  
To go outside

Move now, you gotta move now,

Somebody, everybody said,  
The house is burning down  
Get out, you gotta get out,

Somebody, everybody said,  
On the megaphone

I don't know where my friends are  
So many people trying to escape  
I don't know where my friends are

So many people trying  
To go outside
