I want you to know
That I miss you
If stars start to shine
I'll still miss you

Ohh, I still miss you

I see the storm
I see a cloud
I see you running
I'm still waiting for you
Little Daisy

This is the song
Reminds us of foreverâ€¦ together
This is the song that I
Just cannot hide

La la la la la ooh
La la la la la ooh
La la la la la ooh oo

I want you to know
That I miss you
If stars start to shine
I'll still miss you

This is the song
Reminds us of foreverâ€¦ together
This is the song that I
Just cannot hide

La la la la la ooh
La la la la la ooh
La la la la la oohoo

Forever, let's sing forever
derere...
I still miss you

La la la la la ooh

La la la la la ooh
La la la la la oohoo

This is the song
Reminds us of foreverâ€¦ together
This is the song that I
Just cannot hide

La la la u
I still miss you
I still miss you
I still miss you
