Day after day,
I try to find my own way...
I feel so lost and left alone,
I'm hoping to see you,
I need you...

Night after night,
When darkness seems so bright,
My heart beats so fast,
As if every beat was the last.

I never said it would be easy,
To get inside my head,
Where are the words you once said?
- "I'm not quitting, my love!"
I'd like to hear it again...

Day after day,
I still long to hear from you.
My life... A one way road,
Can't get off,
Still hoping to see you,
I need you!

I never said it would be easy,
To get inside my head,
Where are the words you once said?
- "I'm not quitting, my love!"

I'd like to hear it again...

I never blamed you
For letting me go,
I'm ready to show you...
I'm not quitting,
My love.

Memories of yesterday...
