I have a gift for you
I hope you don't mind
But it's too soon to give you
But if you wanted to take my hand
We could face that maybe
But if you wanted to take my hand
We could taste that taste that

I had a dream of you
Hope you don't mind
But it's too soon to tell you
But if you wanted to take my hand
We could face that maybe
And if you wanted to take my hand
We could taste that, taste that away

Take my hand
Grab my hand
Won't you
Won't you

Take my hand
Grab my hand
Won't you
Won't you

Don't you turn your back
Your back on me
Don't you turn your back
Your back on me
Don't you turn your back
Your back on me
Don't you turn your back
Your back on me

Take my hand
Grab my hand
Won't you
Won't you

Don't you turn your back

Your back on me
Don't you turn your back
Your back on me
Don't you turn your back
Your back on me
Don't you turn your back
Your back on me
