All this situation
It's just freaking my head

Boy, you are so confused
You need to be conduced
Would you come with me Joe

Doubts we all have
You need to build a dream
And keep your sympathy
Won't you come with me Joe

Guess you can find hope
And sweet dreams
Find the one thing
That can make you want to smile

Boy, you are so confused
You need to be conduced
Won't you come with me Joe

Guess you can find hope
And sweet dreams
Find the one thing
That makes you want to smile

All this situation
It's just freaking my head

Guess you will find hope
And sweet dreams
Find the one thing
That makes you want to smile
