Will you ever love me?  
Will I ever move you?

I feel so weird,  
I want to take you for a walk,  
Need to tell you the truth,  
Do you hear me?  
Been trying to tell you:  
- I'm in love with you!  
De de de do do de

Show me your feelings,  
You must understand,  
I need to know,  
Do you want me?  
I am so in love with you!  
De de de do do de

Will you ever love me?  
Like I love you?  
Will I ever move you?  
Like you move me, move me...  
I love you!

I feel so strange,  
Every time I breathe  
I think of you,  
Do you hear me?  
Been trying to tell you:  
- I'm in love with you!

De de de do do de

Will you ever love me?  
Like I love you?  
Will I ever move you?  
Like you move me, move me... I love you!
