Kisses, that once were so sweet,  
Have come to a bitter end.  
Everything once complete,  
Far too broken to mend...

It's not logical,  
The feelings that I have for you...  
They burn inside!

So much loneliness,  
Emptiness,  
'Cause you're not here by my side!

All the pleasure turns to pain.  
Tender touches, turn to tears...  
No, I'll never let this happen again!

It's not logical,  
The feelings that I have for you...  
They burn inside!

So much loneliness,  
Emptiness,  
'Cause you're not here by my side!

I still want you tonight!  
I still need you tonight!  
I still love you tonight!
