"Sweet music"

By candle light
Sitting in my room
A strange sound caresses me
So silently

I need to find
What I'm looking for
In the melody of this strange town

Sweet music
Take me away from here
To here I want to be forever

Eyes wide shut
Imagining
The strange sound caressing me
And I miss it so

I need to find
What I'm looking for
In the melody of this strange sound

Sweet music
Take me away from here
To here I want to be forever

Hey, hey it's a wonderful life

Sweet music,
Sweet music,
To here I want to be forever
