(Mark Hollis)

Take my hand  
Colours seem so black inside your head  
Does everything reflect the time you spend  
So tired of thinking you  
You hide your face  
Don't ask me to excuse

I'm only laughing  
Again, a game... again

Some things are right  
I'm only laughing  
Again, a game... again

Save your words  
Words they're never there for those who try  
A stranger in a world no longer mine  
Sometimes I'm feeling used  
I'll change my place  
I'd sooner be excused

You're only laughing  
Again, a game... again  
I'm only laughing  
Again, a game... again

Some things are right  
I'm only laughing  
Again, a game... again

There are times I confess  
I'm not easy to accept  
So come find I'll react  
I'm a reason to be there  
They're only laughing  
Again, a game... again

I'm only laughing  
Again, a game... again
