And when you're hanging round  
waiting on the other side of town

Kick a stone on a painted wall.  
And when the riot comes keep your head and keep  
your loving charm

Living life is a glamour show - but it's another word  
it's another word.  
All soldiers have a cause giving life upon graffitied  
walls  
As a way to pass the time.

I saw a father's fear for a leader standing over here.  
'Who's the King' say's a passer by - but it's another  
word  
it's another word  
Word - word

And when you're hanging round  
waiting on the other side of town  
...  
Word - word  
it's another word  
word  
word.
