(Mark Hollis)

I'm picking up again  
Well it got too much  
After the accident  
It could feel no worse  
I turned around and saw him hit the ground  
A little earlier it was a game  
I guess the barrier must have dropped away  
I don't like to read the news  
Do you  
do you know anything I'm going through?  
I don't like to read the news  
Do you know anything I'm going through?  
And she calls  
Did you see my photograph?  
It was on page ten  
I swore to everyone  
I'm not to blame  
I turned around and saw him hit the ground  
A little earlier it was a game

I don't like to read the news  
Do you know anything I'm going through?

Do you know anything I'm going through?  
And she calls  
What a fool I've been  
Didn't get to him in time  
What's been happening?  
It's so hard to sleep at night now  
To sleep at night  
I don't like to read the news  
Do you know anything I'm going through?  
I don't like to read the news  
Do you know anything I'm going through?  
And she calls
