(Mark Hollis / Tim Friese-Greene)

Everybody's laughing

Crimson sky  
Set the sails our hearts are open  
Don't cry  
I believe release is in your smile

The tide shall turn to shelter us from storm  
The seas of charity shall overflow  
And bathe us all

Walk on by  
Make believe our exile's chosen  
Untied  
I can see our freedom's in your mind

The tide shall turn to shelter us from storm  
The seas of charity shall overflow  
And bathe us all
